

NEW-YORK DAILY TRIBUNE, FRIDAY, DECEMBER 7, 1860.

HEALTH OF AMERICAN WOMEN.

Organized under the legislative authority, and governed by its own character and skill, the Graefenberg Medical Establishment is guaranteed as a responsible and trust worthy institution, and it is the most widely known and best educated medical organization in the country.

PHARMACEUTICAL MEDICINE HAS BEEN PURCHASED BY THE HOUSEHOLDERS.

Rev. W. H. Davis, of the Methodist Church, Rev. N. Hayes, of the Methodist Church, Rev. J. R. Newell, of the Episcopal Church, Dr. George W. Moore, Surgeon-Captain of New-York, and Dr. Edward Birrell, Physician, and public man.

My personal acquaintance with some of the members of the Graefenberg firm may fully convince me in expressing the opinion that their medicines are worthy of confidence.

FRANCIS HALI, Editor and Proprietor

New-York Commercial Advertiser.

I hereby certify that I have examined the various medicines supplied to me by the Graefenberg Company, and have found them to be of great value. I have no objection to the use of their medicines, and am therefore entitled to the confidence of the public.

N. R. HANCOCK.

Since that time, one of the leading Graefenberg Medicines has been

UTERINE CATHARTIC.

which is the only reliable cure for those diseases which render thousands of women, from the age of 15 upward, miserable to an extent only known to themselves. These diseases affect married and single, and no social position, regardless of living, or means, can protect against them. But the Graefenberg firm's special uterine symptoms, they are often attended with

Diseased Monthly Periods.
